The Institute of Policy Studies of Sri Lanka (IPS) is inviting proposals for the Saman Kelegama Memorial Research Grant 2021. The grant is an annual, merit-based grant awarded to

outstanding undergraduate studying in a Sri Lankan university. It aims to promote policy-relevant research by entrepreneurs among undergraduates by encouraging policy-relevant, rigorous and innovative socio-economic research.

The grant was established in 2018 to honour Dr. Saman Kelegama's legacy of independent research and public policy engagement in socio-economic development in Sri Lanka and the wider South Asian region. Dr. Kelegama was the Executive Director of the IPS from 1991 to 2017.

Fourth-year undergraduates studying economics or a related subject in a University Commission approved university or higher education institution in Sri Lanka are eligible to apply. Proposals must be written according to the guidelines provided and emailed to nilmini@ips.lk on or before the submission deadline of 31 March 2021.
